

Process

This process describes how to apply for Special Consideration and is aligned with the new Special Consideration policy, effective 1st November, 2021.

Important information:

The Special Consideration policy can be accessed [online](#).

A [video](#) has also been developed to show you how to apply for Special Consideration.

Changes to applying for Special Consideration from 1st November 2021 include;

- One application for each unit assessment task
- Extensions of 3 days for Session-based enrolment or 1 day for Study Period or Term-based enrolment can be made without providing supporting documentation
- Application for Special Consideration on a completed task, including end-of-unit examination **must be submitted no later than 2 days** after the due date of the assessment task
